

Highway 97 – ?Esdilagh Transportation Plan

Project Overview

The Ministry of Transportation and Infrastructure is leading a planning exercise to develop an infrastructure solution strategy that identifies short, medium and long-term improvement recommendations for Highway 97 through the ?Esdilagh Indian Reserve #1. This plan will involve ?Esdilagh community engagement and a review of historic highway concepts.

Potential improvement options will consider highway access modifications, intersections upgrades, capacity upgrades, and community input.
